clared that at his institution "constitutional inferiority" was not considered of sufficient consequence to hold enlisted men. He asserted that Thaw's characterization of Stanford White as a "gorilla" and a "black-guard" was "emotionally justified."

The Thaws felt that they had scored a point in the afternoon when William M. K. Olcott, formerly Thaw's lawyer, testified that in 1906 he had agreed to the idea of sending Thaw to an insane asylum without trial. The Thaws contended that this admission dissipated Thaw's alleged deliation that his counsel and his alienists were in a "conspiracy" with the district attorney's office in 1906 to zend him to an asylum without trial.

Anthony Comsteck, president of the Society for the Prevention of Vice, told on the stand of his investigations of reports of mistreatment of young of proports of mistreatment of young and avoid trying experiments with preparations not indorsed by physicians and that conditions were as Thaw had reported. It is believed that the case will reach the summing up stage by Monday.

Pure Malt Whiskey

During the hotter months, when the hands of the clock are slowly creeping around to three and four o'clock, when one is so tired and hot and cross and nervous that work is a bore—just take a table-spoonful of Duffy's Pure Malt Whiskey in a little water and note its invigorating and lasting beneficial effect. It will put you in new trim for the balance of the afternoon and evening.

Its mild action is exceedingly pleasant and positively helpful. Its 50 years of doing good is unequalled by any medicine in the world.
